

“Latin America & the Caribbean Risk Forum: Effective risk management for sustainable transitions from Global Fund-financed programs”

21-22 March, 2016 in Panama City, Panama
Venue: TRYP – Wyndham Panama Albrook

OBJECTIVES

1. Dialogue on Global Fund sustainability and transition policy and its integration with risk management;
2. Prioritize risk factors associated with sustainability and transition from Global Fund-financed programs in Latin America & the Caribbean (LAC);
3. Share current approaches and good practices among LAC implementers (particularly civil society), Global Fund Secretariat and partners to mitigate sustainability-related risk factors;
4. Discuss alignment opportunities across Partners and Technical Assistance Providers’ sustainability plans and strategies.
