## I. Decision Point

1. Based on the rationale described below, the following electronic decision point is recommended to the Board:

## Decision Point GF/B34/EDP14: Appointment of the Chairs and ViceChairs of the Standing Committees of the Board

## 1. The Board approves the appointment of:

a. Greg J. Ferrante as Chair of the Audit and Finance Committee;
b. Beatrijs Stikkers as Vice-Chair of the Audit and Finance Committee;
c. Mohamed Salah Ben Ammar as Chair of the Ethics and Governance Committee;
d. Jan Paehler as Vice-Chair of the Ethics and Governance Committee;
e. Dorothée Kinde-Gazard as Chair of the Strategy Committee; and
f. Julia Martin as Vice-Chair of the Strategy Committee.
2. The Board notes each Committee Chair and Vice-Chair appointed under this decision point shall begin their term on 1 May 2016 and serve for two years or until the appointment of their successor.
2. In January 2016, the Board endorsed the establishment of the enhanced governance structures of the Global Fund formed by five bodies: the Board, the Coordinating Group and three new Standing Committees of the Board.
3. The three new Standing Committees of the Board are as follows:
i. The Audit and Finance Committee (the "AFC");
ii. The Ethics and Governance Committee (the "EGC"); and
iii. The Strategy Committee (the "SC").
4. As such, from the conclusion of the $35^{\text {th }}$ Board Meeting in April 2016 the new Standing Committees of the Board will replace the Strategy Investment and Impact Committee ("SIIC"), the Finance and Operational Performance Committee ("FOPC") and the Audit and Ethics Committee ("AEC").
5. In accordance with the Charters of the AFC, EGC and SC as well as the Operating Procedure of the Board and Committees, the Board Leadership requested the voting constituencies of the Board to submit nominations for Committee Chairs and Vice-Chairs ("Committee Leadership") based on the skills, experience and competencies required to fulfil the mandate of each Standing Committee.
6. Following a robust nomination and selection process, the Board Leadership recommends the list of constituency-nominated candidates outlined in the decision point above to serve as neutral, nonvoting Chairs and Vice-Chairs of the AFC, EGC and SC for a two-year term or until the appointment of their successors, starting from 1 May 2016.
7. As part of induction and handover arrangements for Committee Chairs and Vice-Chairs, the appointed candidates will participate, as observers, in the next and final round of SIIC, FOPC and AEC in-person meetings planned for 8-10 March 2016.

## III.Background

8. At the $30^{\text {th }}$ Board Meeting in November 2014, the Board appointed five individuals as neutral, nonvoting Chairs and Vice-Chairs of the FOPC, SIIC and Vice-Chair of the AEC for a two-year term or until the appointment of their successors, starting from 1 March 2014. The independent Chair of the AEC was re-appointed in March 2014 to serve a coinciding term.
9. In January 2016, the Board endorsed the establishment of the enhanced governance structures which led to the replacement of the FOPC, SIIC and AEC by three new Standing Committees of the Board, namely, the AFC, EGC and SC. In accordance with the Charters of the AFC, SC and EGC and the Operating Procedures of the Board and Committees, the Board Leadership requested the voting constituencies to submit nominations for the six vacant Committee Leadership roles based on the skills, experience and competencies required to fulfil the mandate of each Standing Committee, and the roles of Committee Chair and Vice-Chair.
10. The appointment of the six incoming Committee Chairs and Vice-Chairs is based on the nominations received from the twenty voting constituencies of the Board, and on the basis of the selection process made by the Board Leadership. In line with the rotation principle for Committee Chair and Vice-Chair roles outlined in the Charters of the new Standing Committees, between terms as well as between the SC and AFC , nominations for the different roles were requested as follows:

Table 1: Committee Leadership positions open to Board constituency groups

| Committee | Leadership Role and the Constituencies Eligible to Nominate <br> Candidates |
| :--- | :--- |
| Audit and Finance <br> Committee | Chair: constituencies from the donor group <br> Vice-Chair: constituencies from the implementer group |
| Ethics and Governance <br> Committee | Chair: constituencies from the implementer group <br> Vice-Chair: constituencies from the donor group |
| Strategy Committee | Chair: constituencies from the implementer group <br> Vice-Chair: constituencies from the donor group |

11. When assessing individual nominations, the Board Leadership has taken into account the factors outlined below in accordance with the Operating Procedures:
i. how each nominee's skills and experience match the mandate of the relevant Committee, according to its Charter; and whether they could fulfil the responsibilities of Committee Leadership according to the Board and Committee Member Roles and Responsibilities; and
ii. balanced representation among Board constituencies and voting groups.

## IV. Nomination and selection process

12. On 29 January 2016, the Board Leadership launched the call for nominations for Committee Leadership roles of the AFC,EGC and SC, to be submitted following an open and transparent process agreed within each constituency Table 2 presents the number of nominations per roles submitted by the extended deadline of 12 February 2016:

Table 2: Total number of nominations received for each Committee Leadership Role

| Committee | Role | Total number of <br> nominations received |
| :--- | :--- | :--- |
| Audit and Finance Committee | Chair | 2 |
|  | Vice-Chair | 2 |
| Ethics and Governance Committee | Chair | 5 |
|  | Vice-Chair | 3 |
| Strategy Committee | Chair | 6 |
|  | Vice-Chair | 4 |

13. A preliminary review of the supporting documentation for nominations was conducted by the Transitional Governance Committee ("TGC"), in line with its mandate, to ensure that each candidate's profile met the core competencies matched against a) the relevant Committee Charter, and b) key responsibilities for Committee Leadership roles outlined in the Operating Procedures. All nominees were also requested to submit a Declaration of Interest to the Ethics Official to address any potential ethics or conflicts of interest issues.
14. Then, as stated in paragraph 11, the Board Leadership reviewed all the nominations submitted by constituencies taking into consideration the input provided by the Ethics Officer and the TGC. In addition to individual skills and past relevant experience, the Board Leadership also considered the Chair and Vice-Chair pairs, as a team, to deliver the mandate of the relevant Standing Committee.
15. As a last step in the selection process, the Board Leadership consulted with other members of the Coordinating Group to provide final input on the six shortlisted candidates. Table 3 sets out the shortlisted candidates recommended by the Board Leadership to the full Board for approval.

16. As such, based on the process outlined above and the decision point in section I in this report, the Board Leadership presents to the Board the constituency-nominated individuals listed in Table 3 for appointment to serve as neutral, non-voting Chairs and Vice-Chairs of the Standing Committees of the Board. Based on the ongoing work of the SIIC, FOPC and AEC as well as Board priorities, the incoming Committee Leaderships will serve for two year term starting from 1 May 2016 or until the appointment of their successors.
